# About

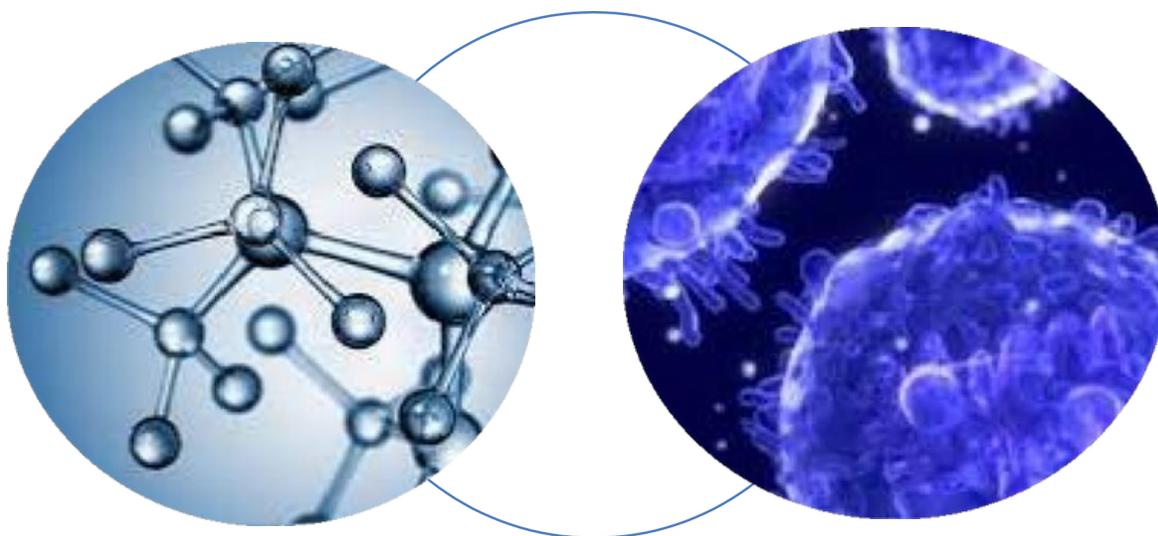

## GLOBAL SUMMIT 2026

**ORC Meetings** hosts annual interdisciplinary international events focused on cutting-edge basic and applied research in Life Sciences, Pharma, Medicine, Healthcare, and Nursing. We bring together top talent from industry and academia to share the latest scientific and technical advancements and to shape future research directions through high-quality publications.

Over the years, ORC Meetings has become a preferred platform for experts, researchers, and academicians to present their significant contributions. We provide a unified space for authors and readers to exchange knowledge with the global scientific community.

Our aim is to connect researchers, principal investigators, healthcare professionals, business delegates, scientists, and students worldwide. ORC Meetings offers an international forum for presenting original research, innovative ideas, and practical development-while fostering long-lasting collaborations and new partnerships.

Join global thought leaders and inspiring speakers at ORC Meetings as they discuss emerging advances across medical, clinical, and engineering disciplines. Our mission is to promote the exchange of insights and to advance research that enhances health, treatment, and innovation across diverse fields.

# IMPORTANT NOTES

**Early Bird Registration:** December 18, 2025

**Mid Term Registration:** January 15, 2026

**Late Registration:** March 9, 2026

**For Discounts and more detailson Registration**

Contact us at [info@orcmeetings.org](mailto:info@orcmeetings.org)

## KEY FACTS

- 20 Innovative Start-Upstand Top Enterprises
- 100+ Distinguished Speakers
- 15+ Keynote Speakers
- 15+ Workshops & Training Courses
- Representation from Industries
- Representation from 100+ World's Premier Universities
- B2B Meetings
- Register Today for Best Discounts

# WHY CHOOSE US

- » To Meet Experts
- » New Tips and Tactics
- » Global Networking
- » Participation Documentation with International Participants
- » We focus on your Career Growth
- » Be the first to showcase your research, innovation and brand to gain competitive advantages.
- » Meet your target audience and explore your product and services.

# WHO CAN ATTEND

- » Molecular biologists and biomedical researchers
- » Environmental scientists and biotechnologists
- » Healthcare professionals and public health experts
- » Academic institutions, industry leaders, and policymakers

# SCIENTIFIC SESSIONS

- » Genomics and Functional Genomics
- » Proteomics, Metabolomics, and Systems Biology
- » Molecular Mechanisms of Disease
- » Environmental and Agricultural Molecular Biology
- » Molecular Diagnostics and Therapeutics
- » Emerging Technologies in Molecular Biology
- » Global Health and Policy in Molecular Biology
- » Microbiome and Host-Microbe Interactions
- » Molecular Immunology and Infectious Diseases
- » Stem Cells and Regenerative Medicine
- » Molecular Toxicology and Environmental Health
- » Synthetic Biology and Bioengineering
- » Epitranscriptomics and RNA Biology
- » Computational Molecular Biology & Bioinformatics
- » Molecular Evolution and Comparative Biology
- » Molecular Approaches to Aging and Longevity

## Benefits of attending our conference:

- **Publication Opportunity:**

Selected papers will be published in our journal with a 50% registration fee waiver.

- **Abstract Proceedings:**

Approved abstracts will appear in the related conference proceedings.

- **Conference Kit:**

Participants receive a kit with essential materials for an enhanced event experience.

- **Global Networking:**

Connect with professionals worldwide and gain insights into global trends.

- **Special Sessions:**

Join expert-led sessions on nursing education, leadership, and research.

- **Excellence Awards:**

Outstanding presentations will be recognized with awards and certificates.

- **Memorable Experience:**

Capture moments with a professional photo session.

- **City Exploration:**

Optional tours allow you to experience the host city's culture (additional charges may apply).
