# About

## Nursing Meet 2023

ORC Meetings every year hosts interdisciplinary international worldwide on cutting-edge basic and applied research in life sciences, Pharma, Medicine, Healthcare and Nursing delivered by the best talents in industry and academia. We are oriented to drive the scientific community at large, facilitating access to the newest technical and scientific achievements and to shape future research directions through the publication of applied and theoretical research findings of the highest quality.

Bound together ORC Meetings has transformed into a prominent choice for the experts and academicians to display their marvelous duties. The distributor gives pursuers and creators an aggregate stage to confer their work to the overall gathering.

ORC Meetings aims to gather the Researchers, principal investigators, experts and researchers working under academia and health care industry, Business Delegates, Scientists and students across the globe to provide an international forum for the dissemination of original research results, new ideas, and practical development experiences. This academic occasion to revitalize the enduring connections and flash with new peers around the globe.

Meet the Global Inspiring Experts and Speakers at ORC Meetings to talk about new advances in the field of medical and engineering to improve health and treatment and additional innovations. Our is not just to make a phase to exchange estimations to the enormous social occasion of individuals, yet also endeavor to spread focused and research advances in the clinical and physiological parts of various fields.
